THE ANNUAL REPORT OF VADIA STATE.

FOR 1909-10.

CHAPTER I.

General and Political.—The Taluka of Vadia is $\frac{1}{8}$ of the Taluka of Jetpur. It consists of 17 swang villages, over which it has sole jurisdiction, civil as well as criminal, and has shares in five others held jointly with other Share-holders of Jetpur. In Jetpur town itself it has a share of three annas in the rupee, *i. e.* nearly $\frac{1}{5}$ of it, which gives this Taluka pre-eminence over all others.

The area of this State is nearly 72 square miles, and the population 10,330 souls. Its annual gross revenue, on an average, is Rs 1,34,221. It has to pay a tribute of Rs 7,290-15-0 to the British Government as Peshkashi, of Rs 48-13-9 to the Gaekwar Government as Jamabandi and of Rs 123-12-0 to the State of Junagarh as Zortalabi.

The ruling Chief, Darbar Shri Bawawala, aged 35 years, was born on the 11th of July 1874. He exercises the powers of a Third Class Chief. The heir-apparent Kumar Shri Suragwala, aged 6 years, was born on the 15th of March 1904.

CHAPTER II.

Administration of the land.—The administration of land is carried on under a system of Bhagbatai and Vero-assessments in kind and cash—the latter fixed and the former fluctuating in proportion to the produce of the crops.

The year under report was tolerably good. Although the rain fall in a sufficient quantity, still the cotton crop was at a low ebb, giving only half the yield of what was estimated.

00134991

There were 23 boundary disputes in the beginning of the year and 9 fresh disputes arose. Thus out of the total number of 32 disputes 5 were settled during the year under report.

CHAPTER III.

Protection.

Police.—The State does not maintain any military force as such. It has a Police force of 22 foot and 8 mounted, all headed by a Foujdar. The foot Police is armed with muzzle loading guns and bayonnets and the mounted with swords and guns. The total cost was Rs 5112 in the year (*Vide* app. IV.).

Village Police—Besides the above mentioned regular Police the State maintains a village force of 101 Pasaitas headed by 12 Police Patels, all under the direct supervision of the Foujdar. The Police Patels are stipendiaries, while the Pasaitas are given lands free of State charges during service.

During the year 17 offences involving 17 persons were reported to the Police. Out of them 13 were sent to the Nyayadhish Court for trial, 7 were convicted and 6 acquitted or discharged (*Vide* app, V.).

Justice—In order to administer justice, civil as well as criminal, there are two courts in the State. The Nyayadhish Court performs all the original work and the Huzoor Court the appellate work.

During the year under report 46 offences were reported to the Nyayadhish Court in which 62 persons were involved. Out of these 3 were discharged without trial, 40 acquitted or discharged and 15 convicted, while 4 remained under trial at the end of the year. (*Vide* app. VIII.). Against two of the convictions of the Nyayadhish Court there were appeals to the Huzoor Court which modified the original sentences (*Vide* app. IX).

There were 27 civil suits in the beginning of the year and 59 of the value of Rs 4,905-5-$\frac{1}{2}$ were newly admitted in the course of the year. Out of the total number of 86 suits 61 were disposed of and 25 remained awaiting disposal in the next year (*Vide* app. X.).

There were 4 civil appeals this year to the Huzoor Court against the decisions of the lower Court. In one of them the decision was reversed, in another it was amended and in the third it was compromised. The fourth awaits disposal in the next year. (*Vide* app. XII.).

The opening balance of applications for the execution of decrees in the beginning of the year was 63 of the value of Rs. 11,568-14-4 and 105 fresh applications of the value of Rs. 20,969-8-10½ were brought to the register in the course of the year. Out of these 96 of the value of Rs. 8,726-8-7½ were disposed of, while 72 applications of the value of Rs. 12,443-0-3 remained over to be disposed of in the next year. (*Vide* app. XI.).

Extradition—The State surrendered one person to the Jetpur Taluka Court for an offence of grievous hurt with dangerous weapon. The result is not yet known.

Jail.—There is only one jail in the State. It is in Vadia. There were two prisoners in the jail in the beginning of the year. During the year 34 were admitted and 32 were discharged, 4 being kept confined at the end of the year. The average period of the accused under trial was 3. The total cost of the jail was Rs 178-0-0. The general health of the convicts was satisfactory. (*Vide* app. XIII).

Registration—15 documents of mortgaged property worth Rs 10,370-9-0 were registered this year. They yielded an income of Rs 39-0-0 to the State (*Vide* app. XIV & XV.)

Municipal Administration.—There is no regular municipality here; but arrangements for sweeping and lighting the streets at an annual cost of Rs 632-6-6 to the State have been made as usual.

CHAPTER IV.

The rain-fall was this year in a sufficient quantity, allowing the Kharif crops to thrive satisfactorily. Although the cotton plants were in a very good condition, still they produced not even half as much cotton as was expected. For irrigation purposes the water-supply was ample enough to produce the rabi harvest. The total rain-fall in the year was 23 inches and 16 cents (*Vide* app. XVII).

The wages of labourers remained almost stationary during the year under report. There is a fairly good difference, for the better, in the price of cereals in the month of March of last year and of this. Except rice all of them are cheaper this year. (*Vide* app. XVIII).

As for public works the State spent Rs 2,404-13-6 for original works and Rs. 1,887-0-11 for repairing roads and State buildings (*Vide* app. XIX).

Pains are being taken to increase the agricultural stock in order to improve the condition of the cultivators. There were 2,894 bullocks this year against 2,560 in the past year and 2,521 in the year previous to it. There were 1,694 cows this year against 1,279 in the past year and 1,176 in the year previous to it. There were 1,050 ploughs this year against 1,107 of the past year and 1,018 of the previous year, while the number of carts has decreased. It is 537 this year against 553 in last year and 504 in the year previous to it (*Vide* app. XX).

CHAPTER V.

Revenue and Finance.—The gross total revenue of the year under report was about a hundred and seventy two thousand rupees against an expenditure of an almost equal amount (*Vide* app. XXII). The outstanding arears have only been partially recovered.

CHAPTER VI.

Vital Statistics &c.—There is a dispensary at Vadia in which medical aid was given during the year under report to 2,694 out-door patients at an annual cost of Rs 548. (*Vide* App. XXIII).

290 births and 165 deaths were registered during the year. These statistics show that the ratio of births to deaths is 1·751 to 1, a little less than that of the past year (*Vide* App. XXIV).

The public health was satisfactory, and happily there was no epidemic.

CHAPTER VII.

Education.—There are 6 primary schools teaching Gujarati in the swang villages of the State, the annual cost of which was Rs. 1,392. Besides these there are English and Gujarati schools in Majmu towns and villages under the jurisdictiou of the Taluka Court of Jetpur, towards the maintenance of which the state has to contribute its share to the extent of about Rs 1,799.

Vadia Dated
1st April 1916.

Mohammad Husain
Karbhari, Vadia.

APPENDIX I.

Names of high officials in the Vadia State and Residency officials showing changes in personnel during the year 1909—10.

Name of Officer.	Appointment.	Period.		Remarks.
		From	To	
Mulla Mohommad Husain Panchàsi.	Karbhari.	4-8-1905.		

Vadia Dated
April 1st 1910.

THE ANNUAL REPORT OF

VADIA STATE.

FOR 1910-11.

LIBRARY OF THE BOMBAY BRANCH OF THE ROYAL ASIATIC SOCIETY

CHAPTER I.

General and Political.—The Taluka of Vadia is $\frac{1}{8}$ of the Taluka of Jetpur. It consists of 17 swang villages, over which it has sole jurisdiction, civil as well as criminal, and has shares in five others held jointly with other Share-holders of Jetpur. In Jetpur town itself it has a share of three annas in the rupee, *i. e.* nearly $\frac{1}{5}$ of it, which gives this Taluka pre-eminence over all others.

The area of this State is nearly 72 square miles, and the population 10,770 souls. Its annual gross revenue, on an average, is Rs. 1,53,156. It has to pay a tribute of Rs. 7,290-15-0 to the British Government as Peshkashi, of Rs. 419-5-9 to the Gaekwar Government as Jamabandi and of Rs. 123-12-0 to the State of Junagarh as Zortalabi.

The ruling Chief, Darbar Shri Bawawala, aged 36 years, was born on the 11th of July 1874. He exercises the powers of a Third Class Chief. The heir-apparent Kumar Shri Suragwala, aged 7 years, was born on the 15th of March 1904.

In the month of February last during his tour through the District our Political Agent, Major J. R. B. G. Carter came to Vadia and was duly received by the Chief. He stayed here from the 9th to the 15th of February, and paid a visit to the dispensary, jail and school, at which latter place Miss Carter distributed prizes to the students. He left for Bagasara on the morning of 16th idem.

CHAPTER II.

Administration of the land.—The administration of land is carried on under a system of Bhágbatài and Vero-assessments in kind and cash—

134991

the latter fixed and the former fluctuating in proportion to the produce of the crops.

The year under report was tolerably good. Although the rain was sufficient and seasonable still by some freak of nature the kharif harvest was far below the estimate and the cotton crop gave half the yield of what was estimated.

There were 27 boundary disputes in the beginning of the year and 10 fresh disputes arose. Thus out of the total number of 37 disputes 1 was settled during the year under report.

CHAPTER II.

Protection.

Police.—The State does not maintain any military force as such. It has a Police force of 22 foot and 8 mounted, all headed by a Foujdar. The foot Police is armed with muzzle loading guns and bayonnets and the mounted with swords and guns. The total cost was Rs. 5124 in the year (Vide app. IV.).

Village Police.—Besides the above-mentioned regular Police the State maintains a village force of 101 Pasaitas headed by 12 Police Patels, all under the direct supervision of the Foujdar. The Police Patels are stipendiaries, while the Pasaitas are given lands free of State charges during service.

During the year 18 offences involving 16 persons were reported to the Police. Out of them 10 were sent to the Nyayadhish Court for trial, 5 were convicted and 5 acquitted or discharged (Vide app. V.).

Justice.—In order to administer justice civil as well as criminal, there are two courts in the State. The Nyayadhish Court performs all the original work and the Hazoor Court the appellate work.

During the year under report 60 offences were reported to the Nyayadhish Court in which 66 persons were involved. Out of these 12 were dischared without trial, 40 acquitted or discharged and 10 convicted, while 4 remained under trial at the end of the year (Vide app. VIII,). Against two of the convictions of the Nyayadhish Court there were appeals to the Hazoor Court which modified the original sentence in one and reversed the original sentence in the other (Vide app. IX.).

There were 25 civil suits in the beginning of the year and 62 of the value of Rs. 5350-14-0½ were newly admitted in the course of the year.

Out of the total number of 87 suits 65 were disposed of and 22 remained awaiting disposal in the next year (Vide app. X.).

There were 2 civil appeals this year to the Hazoor Court against the decisions of the lower Court. One of the two was compromised and the other awaits disposal in the next year (Vide app. XII.).

The opening balance of applications for the execution of decrees in the beginning of the year was 72 of the value of Rs. 12,443-0-3 and 193 fresh applications of Rs, 18,718-9-6½ were brought to the register in the course of the year, Out of these 98 of the value of Rs. 16,632-1-0½ were disposed of, while 77 of the value of Rs. 14529-8-9, remained over to be disposed of in the next year (Vide app. XI.).

Extradition.—There have been no cases of extradition during the year under report.

Jail.—There is only one jail in the State. It is in Vadia. There were four prisoners in the beginning of the year. During the year 21 were admitted and 23 were discharged, 2 being kept confined at the end of the year. The average period of the accused under trial was 2·1. The total cost of the jail was Rs. 160-13-2. The general health of the convicts was satisfactory (Vide app. XIII.).

Registration.—4 documents of mortgaged property worth Rs. 3889-0-0, 1 document of money bonds worth Rs. 1181-0-0 and 1 document of miscellaneous property were registered this year. They yielded an income of Rs. 16-0-0 to the State (Vide app. XIV & XV.).

Municipal administration.—There is no regular municipality here; but arrangements for sweeping and lighting the streets at an annual cost of Rs. 771-12-9 to the State have been made as usual.

CHAPTER IV.

The rainfall was this year in a sufficient quantity, allowing the Kharif crops to thrive satisfactorily. Although the plants were in a good condition, still they yielded not even half as much cotton as was expected. For irrigation purposes the water-supply was ample enough to produce the rabi harvest which has, unfortunately, been damaged greatly owing to somewhat heavy rain in March of the year under report. The total rainfall in the year was 37 inches and 11 cents (*Vide* app. XIII.).

The wages of the labourers remained almost stationary during the year under report. There is a fairly good difference, for the better, in the price

of cereals in the month of March of last year and of this. The price of Bajri and Jowar is nearly stationary (*Vide* app. XVIII.).

As for public works the State spent Rs. 3,856–6–11 for original works and Rs. 1,224–8–5 for repairing roads and State buildings (*Vide* app. XIX).

Pains are being taken to increase the agricultural stock in order to improve the condition of the cultivators. There were 3,250 bullocks this year against 2,894 in the past year and 2,560 in the year previous to it. There were 1,874 cows this year against 1,694 in the past year and 1,279 in the year previous to it. There were 1,094 ploughs this year against 1050 of the past year and 1,107 of the previous year. There were 575 carts this year against 537 of the past year and 553 of the previous year to it.

CHAPTER V.

Revenue and Finance.—The gross total revenue of the year under report was about a hundred and eighty four thousand rupees on paper against an expenditure of a hundred and seventy nine thousand rupees (*Vide* app. XXII.). The outstanding arrears have only been partially recovered.

CHAPTER VI.

Vital Statisties etc.—There is a dispensary at Vadia in which medical aid was given during the year under report to 2,538 out-door patients at an annual cost of Rs. 548 (*Vide* app. XXIII.)

338 births and 221 deaths were registered during the year. The statistics show that the ratio of births to deaths is 1·529 to 1 a little more than in last year (*Vide* app. XXIV.).

The public health was satisfactory except in one village where there was plague for about 3 months. It is free from it now.

CHAPTER VII.

Education.—There are 6 paimary schools teaching Gujrati in the swang villages of the State, the annual cost of which was Rs. 1,450. Besides these there are English and Gujrati schools in Majmu towns and villages under the jurisdiction of the Taluka Court of Jetpur, towards the maintenance of which the State had to contribute its share to the extent of about Rs. 1,465.

Vadia Dated
6th April 1911.

Mohammad Husain
Karbhari, Vadia.

The Annual Report of Vadia State.

FOR 1911-12.

ROYAL ASIATIC SOCIETY LIBRARY BOMBAY BRANCH OF THE

CHAPTER I.

General and Political.—The Taluka of Vadia is $\frac{1}{8}$ of the Taluka of Jetpur. It consists of 17 swang villages, over which it has sole jurisdiction, civil as well as criminal, and has shares in five others held jointly with other shareholders of Jetpur. In Jetpur town itself it has a share of 3 annas in the Rupee, *i. e.* nearly $\frac{1}{5}$ of it, which gives this Taluka pre-eminence over all others.

The area of this State is nearly 72 square miles and the population 10770 souls. Its annual gross revenue, on an average, is Rs. 154007. It has to pay a tribute of Rs. 7290–15–0 to the British Government as Peshkashi, of Rs. 455–3–6 to the Gaekwar Government as Jamabandi and of Rs. 141–8–0 to the State of Junagadh as Zortalabi.

The ruling Chief, Durbar Shri Bawa wala, aged 37 years, was born on the 11th of July 1874. He exercises the powers of a Third Class Chief. The heir-apparent Kumar Shri Suragwala aged 8 years, was born on the 15th of March 1904.

CHAPTER II.

Administration of the land.—The administration of land is carried on under a system of Bhagbatai and Vero–assessments in kind and cash-the latter fixed and the former fluctuating in proportion to the produce of the crops.

The year under report was, unfortunately, contrary to its predecessors, again, a bad one. The rain was quite insufficient and ill distributed. Thus only a very few villages have had hardly sufficient rain to produce some Kharif crops, while others had too small an amount to let even the seeds germinate. The soil was, therefore, as brown as it was before the rainy season set in. These latter had to fall back upon well irrigation which maintained themselves and their cattle.

The Annual Report of Vadia State.

FOR 1911-12.

LIBRARY OF THE BOMBAY BRANCH OF THE ROYAL ASIATIC SOCIETY.

CHAPTER I.

General and Political.—The Taluka of Vadia is $\frac{1}{8}$ of the Taluka of Jetpur. It consists of 17 swang villages, over which it has sole jurisdiction, civil as well as criminal, and has shares in five otners held jointly with other shareholders of Jetpur. In Jetpur town itself it has a share of 3 annas in the Rupee, *i. e.* nearly $\frac{1}{5}$ of it, which gives this Taluka pre-eminence over all others.

The area of this State is nearly 72 square miles and the population 10770 souls. Its annual gross revenue, on an average, is Rs. 154007. It has to pay a tribute of Rs. 7290–15–0 to the British Government as Peshkashi, of Rs. 455–3–6 to the Gaekwar Government as Jamabandi and of Rs. 141–8–0 to the State of Junagadh as Zortalabi.

The ruling Chief, Durbar Shri Bawa wala, aged 37 years, was born on the 11th of July 1874. He exercises the powers of a Third Class Chief. The heir-apparent Kumar Shri Suragwala aged 8 years, was born on the 15th of March 1904.

CHAPTER II.

Administration of the land.—The administration of land is carried on under a system of Bhagbatai and Vero–assessments in kind and cash-the latter fixed and the former fluctuating in proportion to the produce of the crops.

The year under report was, unfortunately, contrary to its predecessors, again, a bad one. The rain was quite insufficient and ill distributed. Thus only a very few villages have had hardly sufficient rain to produce some Kharif crops, while others had too small an amount to let even the seeds germinate. The soil was, there, as brown as it was before the rainy season set in. These latter had to fall back upon well irrigation which maintained themselves and their cattle.

There were 36 boundary disputes in the beginning of the year and 3 fresh ones arose. Thus out of the total number of 39 disputes 3 were settled during the year under report, leaving again a balance of 36 disputes to be settled here after.

CHAPTER III.

Protection.

Police.—The State does not maintain any military force as such. It has a police force of 22 foot and 8 mounted, all headed by a Foujdar. The foot Police is armed with muzzle loading guns and bayonets and the mounted with swords and guns. The total cost was Rs 5160 in the year (Vide app. IV.).

Village Police.—Besides the abovementioned regular Police the State maintains a village force of 101 Pasaitas headed by 12 Police Patels, all under the direct supervision of the Foujdar. The Police Patels are stipendiaries, while the Pasaitas are given lands free of State charges during service.

During the year 22 offences involving 19 persons were reported to the Police. Out of the 18 accused that were sent to the Nyayadhish Court for trial 14 were convicted and 4 acquitted or discharged (Vide app. V.).

Justice.—In order to administer justice, civil as well as criminal there are two courts in the State. The Nyayadhish Court performs all the original work and the Huzoor Court the appellate work.

During the year under report 49 offences were reported to the Nyayadhish Court in which 57 persons were involved. Out of these 14 were discharged without trial, 24 acquitted or discharged and 19 convicted (Vide app. VIII.).

Against two of the convictions of the Nyayadhish Court there were appeals to the Hazoor Court which reversed the original sentence in one and confirmed it in the other (Vide app. IX.).

There were 22 civil suits in the beginning of the year and 19 of the value of Rs 1138–9–9 were newly admitted in the course of the year. Out of the total number of 41 suits 30 were disposed of and 11 remained awaiting disposal in the next year (Vide app. X).

There were 3 civil appeals to the Huzoor Court against the decision of the lower Court. One of them was disposed of by the decision of the lower Court being confirmed, another was struck off the file as the parties

did not appear on the day fixed for hearing and the third remained over (Vide app. XII.).

The opening balance of applications for the execution of decrees in the beginning of the year was 77 of the value of Rs 14,529-8-9 and 14 fresh applications of Rs 2 357-1-11 were brought to the register in the course of the year. Out of these 87 of the value of Rs 17,000-0-11 were disposed of, while 4 of the value of Rs 228-2-6 remained over to be disposed of in the next year (Vide app. XI).

Extradition.—Three offenders from Junagadh and one from Jetpur were handed over to our Nyayadhis Court which found them guilty of theft and punished them adequately.

Jail.—There is only one jail in the State. It is in Vadia. There were 2 prisoners in the beginning of the year. During the year 29 were newly admitted and the same number was discharged, leaving 2 again in the jail. Their general health was satisfactory. The average period of the accused under trial was 2·7. The total cost of the jail was Rs 406-8-8 during the year (Vide app. XIII.).

Registration.—5 documents of mortgage worth Rs 2110 and 1 of a will worth Rs 100 were registered this year. They yielded an income of Rs 16-8-0 to the State (Vide app. XIV & XV.).

Municipal Administration.—There is no regular Municipality here; yet arrangements for sweeping and lighting the streets and other miscellaneous matters cost the State Rs. 764-9-11 (Vide app. XVI.).

CHAPTER IV.

Since the famines of Samvat years 1931 and 1935 for two decades the States and their ryots enjoyed tranquillity and peace of mind when the terrible famine of Samvat 1956 came on as a thunderbolt after which hardly a lustre of years passed without causing a disturbance of the peace of mind on account of a famine or scarcity. The same doleful tune is audible almost over the whole of Kathiawar. After 1955 the system of granting tacavi to needy cultivators under the guarantee of the State continued for more than a decade when it was found expedient to discontinue it as it had demoralised them. But unfortunately recourse is had again to the system as the rain failed this year and uptill now the cultivators have been helped by being granted tacavi to the value of Rs. 15214 under the State guarantee. In such years irrigated crops alone save the cultivators and their cattle. For

this purpose there were 401 wells in the State and 20 more are being sunk which will bring the total to 421. The rain this year was quite nominal giving only 4 inches and 45 cents which has made the year a bad one the effects of which will be found terrible to the State when it will be ascertained after a few months as to what a small amount of revenue it has received.

Although the year is bad the labour is not cheap and labourers have not yet come forward to work on famine rates. The price of cereals is high compared with that of last year (Vide app. XVIII).

As for public works the State spent Rs. 4420–14–8½ for original works and Rs. 2727–4–9½ for repairs making a total of Rs. 7148–3–6 (Vide app XIX).

Pains are always taken to increase the agricultural stock, but effects of a bad year are apparent on a reference to appendix XX. The figures of every column denote a decrease. It will certainly tell upon the condition of the cultivators for some time to come.

CHAPTER V.

Revenue and finance.—The balance at the biginning of the year Samvat 1967 was nearly thirty thousand rupees to which was added the income of the year a hundred and sixty one thousand. The expenditure during the year, thanks to the prudent and economic habits of the Darbar Saheb, was a hundred and forty two thousand, leaving a balance of a little over forty eight thousand rupees which helped the State a great deal to carry on its administration without immediately going out to borrow (Vide app. XXII).

CHAPTER VI.

Vital Statistics.—There is a dispensary at Vadia where medical aid was given during the year under report to 2,230 outdoor patients at an annual cost of Rs. 1153–7–9 (Vide app. XXIII).

354 births and 159 deaths were registered during the year against 338 births and 221 deaths of the last year (Vide app. XXIV). These statistics are satisfactory as births have increased and deaths decreased, giving a ratio of 2·226 to 1. Last year's ratio was 1·529 to 1.

Small pox was the general epidemic in the latter part of the year. The vaccination department has taken pains to vaccinate about three hundred and fifty children in the Taluka.

CHAPTER VII.

Education.—There are six primary schools teaching Gujarati, in the swang villages of the State, the annual cost of which was Rs 1403. The annual income of fees collected from students ranged between 70 to 85. In order to encourge primary education Darbar Saheb has lately abolished the collection of fees and beneficently made it free which is a boon to his subjects. He has in conjunction with Darbar Shri Lakshmanwala sanctioned the opening of a similar school at Ghughrala which is joint between the two States of Vadia and Thana-Devli. There are also English and Gujarati schools in Majmu towns and villages under the jurisdiction of the Taluka Court of Jetpur, towards the maintenance of which this State contributes its share.

Mulla Mohammad Husain, Panchasi.

Karbhari, Vadia.

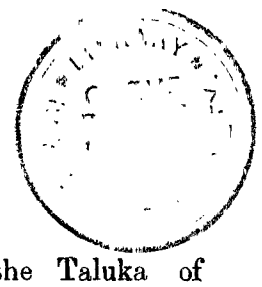
The Annual Report of Vadia State.

FOR 1912-13.



CHAPTER I.

General & Political.—The Taluka of Vadia is $\frac{1}{8}$ of the Taluka of Jetpur. It consists of 17 Swang Villages, over which it has sole jurisdiction, civil as well criminal, and has shares in five others held jointly with other shareholders of Jetpur. In Jetpur town itself it has a share of three annas in the rupee, i. e. nearly $\frac{1}{5}$ of it, which gives this Taluka pre-eminence over all others.

The area of this State is nearly 72 square miles and the population 10,770 souls. Its annual gross revenue, on an average, is Rs. 1,37,955. The fall in the average is due to the famine of the previous year. It has to pay a tribute of Rs. 7290-15-0 as Peshkashi to the British Government, Rs. 455-3-6 as Jamabandi to the Gaekwar Government and Rs. 141-8-0 as Zortalabi to the State of Junagadh.

The ruling Chief Darbar Shri Bawawala, aged 38 years, was born on the 11th of July 1874. He exercises the powers of a Third Class Chief. The heir-apparent, Kumar Shri Suragwala, aged 9 years, was born on the 15th of March 1904.

The Political Agent Lieut H. W. Bell on his tour through the Sorath Prant came to Vadia on the 18th of January last and left this place on the morning of the 21st for Thana Devli. He paid a visit to the jail and the dispensary and expressed his satisfaction. Mrs. Bell distributed prizes to the students of the school here.

On the 10th instant were celebrated the marriages of the two danghters of Darbar Saheb; Monghibai, the elder, was married to Bashia Mansur Meram and Lakhubai, the younger, to Bashia Lakhman Mansur, both of Morvada.

CHAPTER II.

Administration of the land.—The administration of the land is carried on under a system of Bhagbatai and Vero—assessments in kind and cash—the

latter fixed and the former fluctuating in proportion to the produce of the crops.

It being a famine last year the cultivators had to be helped directly by being given takavi to the extent of fifty thousand rupees through Sahukars under the guarantee of the State and indirectly by the suspension of their Santi Vero to the extent of twenty thousand rupees.

The boundary disputes at the end of the year for future settlement are 36.

CHAPTER III.

PROTECTION.

Police.—The State does not maintain any military force. It has a Police force of 22 foot and 8 mounted, all headed by a Foujdar. The foot Police is armed with muzzle loading guns and bayonets and the mounted Police with swords and guns. The total cost was Rs. 5,220 in the year. (Vide. App. IV.)

Village Police.—Besides the abovementioned regular Police the State maintains a village force of 101 Pasaitas headed by 12 Police Patels, all under the direct supervision of the Foujdar. The Police Patels are stipendiaries while the Pasaitas are given lands free of State charges during service.

During the year 17 offences involving 13 persons were reported to the Police. They were all sent to the Nyayadhish Court for trial. 11 of them were convicted and 2 acquitted or discharged. (Vide App. V.)

Justice.—In order to administer justice, civil as well as criminal, there are two courts in the State. The Nyayadhish Court performs all the original work and the Huzoor Court the appellate work.

During the year under report 67 offences were reported to the Nyayadhish Court in which 58 persons were involved. Out of these 3 were discharged without trial, 35 acquitted, 16 convicted, 1 committed to the Sessions Court of the Judicial Assistant to the Agent to the Governor where he was convicted of transportation for life, 1 escaped and 2 remained awaiting trial. (Vide App. VIII.)

There were no appeals against any of the decisions of the Nyayadhish Court. (Vide App. IX).

There were 11 civil suits in the beginning of the year and 74 of the value of Rs. 4,953–15–4½ were newly admitted in the course of the year. Out of the total number of 85 suits 64 were disposed of and 21 remained over. (Vide App. X.)

There were 3 civil appeals to the Huzoor Court against the decisions of the lower court. One of them was disposed of and the rest remain to be heard and disposed of hereafter. (Vide App. XII.).

The opening balance of applications for the execution of decrees in the beginning of the year was 4 of the value of Rs. 228–2–6 and 60 fresh applications of the value of Rs. 8,514–10–5 were brought to the register in the course of the year. Out of these 28 of the value of Rs 3,072–11–5 were disposed of while 36 of the value of Rs. 5,670–1–6 remained over to be disposed of next year. (Vide App. XI.)

Extradition.—There have been no cases of extradition this year.

Jail.—There is only one jail in the State. It is in Vadia There were 2 prisoners in the beginning of the year. 21 were newly admitted and 22 were discharged during the year. So there is only one remaining at the end of the year. Their general health was satisfactory. The average period of the accused under trial was 1.11. The total cost of the jail was Rs 223 13–7 during the year. (Vide App. XIII.).

Registration.—Two documents worth Rs 5,700–0–0 were registered this year, yielding an income of Rs 4. (Vide App. XIV & XV.).

Municipal Administration.—There is no regular Municipality here; yet arrangements for sweeping and lighting the streets and for miscellaneous matters cost the State Rs 741–18–5. (Vide App. XVI.).

CHAPTER IV.

After distress there is relief, as the Persian proverb goes. The last rainy season gave ample rain which relieved the State and the people of its anxiety and their distress. Last year by this time about fifteen thousand rupees were given as tacavi in the first half of the famine year. The second half of the year was most distressful, as the rabi crop almost totally failed and tacavi had to be given to a much larger number and extent which reached the amount of fifty thousand rupees in the end. But it is hoped all of it will be repaid without any difficulty. Yet the system of giving tacavi under the guarantee of the State will have to be continued for some years to come.

Although the rainfall was ample, it was not extraordinary. Still in the small hours of the 20th of June last it must have rained so copiously in the basin of the rivulet Surva on which Vadia is suited that it was over-flooded at dawn and within half an hour it made a havoc devastating the northern embankment of the bridge and several mudhouses in the south east and north east of the town.

The rain measured this year was thirty five inches and a half against only four inches and a half last year. (Vide App. XVII.)

The wages of labourers remained almost stationary. In the prices of cereals there has been a change for the better. (Vide App. XVIII.)

Samvat 1968 being a famine year the State spent nearly thirty two hundred rupees on relief and nearly fifteen hundred on public works.

Great pains have been taken to recoup the agricultural stock and reference to appendix XX, will show that the figures are not unsatisfactory.

CHAPTER V.

Revenue and Finance.—The gross total revenue of the year under report was about a hundred and twenty seven thousand rupees, including a loan of thirty thousand rupees borrowed by Darbar Saheb on his credit, to which was added the opening balance, whereby the year's expenses were defrayed, leaving a balance of nearly thirty thousand rupees for the next year. (Vide App. XXII.) As for the loan, half of it was advanced by his admirers without interest ; the other half was borrowed on interest. The whole of it has, by this time, been repaid to the great satisfaction of all concerned.

CHAPTER VI.

Vital Statistics.—There is a dispensary at Vadia where medical aid was given during the year under report to 3,126 outdoor patients at an annual cost of Rs. 1,193-8-1. (Vide App. XXIII.).

284 births and 291 deaths were registered during the year against 354 births and 159 deaths of the previous year. (Vide App. XXIV.) It was due to the epidemic of small-pox that deaths increased last year, and the ratio of births to deaths was consequently 0·979 to 1. Last year's ratio was 2·226 to 1.

CHAPTER VII.

There are six primary schools teaching Gujrati in the Swang villages of the State, the annual cost of which was Rs. 1,813–11–11. Primary education is given free, Darbar Saheb having abolished the collection of fees. This is a boon to his subjects, and probably is the cause of a little increase in the number of pupils. (Vide App. XXV). There are also English and Gujrati schools in Majmu towns and Villages under the Taluka Court, towards the maintenance of which this State contributed its share of Rs. 1,528–11–0.

Vadia,
1st April 1913.

Mulla Mohammad Husain Panchasi,
Karbhari, Vadia.

APPENDIX I.

Names of high officials in the Vadia State and Residency officials showing changes in personal during the year 1912–13.

Mulla Mohammad Husain Panchasi,

Karbhari, Vadia.

The Annual Report of Vadia State.

FOR 1913-14.

CHAPTER I.

General and Political.—The Taluka of Vadia is $\frac{1}{8}$ of the Taluka of Jetpur. It consists of 18 Swang Villages, over which it has sole jurisdiction, civil as well as criminal, and has shares in four others held jointly with other Share-holders of Jetpur. Till last year the Taluka Court of Jetpur held jnrisdiction over the two paties of Ghughrala, which have now come under the jnrisdiction of their respective owners, Vadia and Thana Devli, to the great advantage of the cultivators. In the town of Jetpur itself this Taluka has a share of three annas in the rupee, i. e. nearly $\frac{1}{5}$ of it, which gives it preminence over all others.

The area of this State is nearly 72 square miles and the population 10,770 souls. Its annual gross revenue on an average is Rs. 1,48,060. This is a rise over last year's average due to the year St. 1969 being a very good year. It has to pay a tribute, as Peshkashi, of Rs. 7290–15–0 to the Brltish Govern-ment, as Jamabandi, of Rs. 455–3–6 to the Gaekwar Government, and as Zortalabi, of Rs. 141–8–0 to the State of Junagarh.

The ruling Chief, Darbar Shri Bawawala, aged 39 years, was born on the 11th of July 1874. He exercises the powers of a third class chief. The heir-apparent. Kumar Shri Suragwala, aged 10 years, was born the 15th of March 1904.

The Political Agent, Sorath, Lientt. H. W. Bell on his tour through the Prant came to Vadia on the 10th of March and left here for Jetalsar the next day.

CHAPTER II.

Administration of the Land.—The admistration of the land is car-ried on under a system of Bhagbatai and Vero—assessments in kind and

cash—the latter fixed and the former fluctuating in proportion to the produce of the crops.

The year under report was a good one, the rain being sufficient and seasonable; yet the cotton crop was damaged by the last rain in the season, and the yield was in consequence not even half of what was expected.

There were 36 boundary disputes in the beginning of the year and 5 were newly added to the number, which brought the total to 41 awaiting settlement hereafter. None could be settled during the year.

CHAPTER III.

PROTECTION.

Police.—The State does not maintain any military force as such. It has a Police force of 22 foot and 8 mounted, all headed by a Foujdar. The foot Police is armed with muzzle loading guns and bayonets and the mounted Police with swords and guns. The total cost was Rs. 5,220 in the year. (Vide App. IV.)

Village Police.—Besides the above mentioned regular Police the State maintains a village force of 106 Pasaitas headed by 13 Police Patels, all under the direct supervision of the Foujdar. The Police Patels are stipendiaries while the Pasaitas are given lands free of State charges during service. The increase of five Pasaitas and one Police Patel to the usual number is due to the fact that Vadia can count them of its Ghugharala Pati, over which it has lately obtained jurisdiction, as incorporated in its village force.

During the year 17 offences involving 17 perrons were reported to the police. Out of them 15 persons were sent to the Nyayadhish court for trial, three of them were convicted and twelve were acquitted or discharged. (Vide. App. V.)

Justice.—In order to administer justice, civil as well as criminal, there are two courts in the State. The Nyayadhish Court performs all the original work and the Huzoor Court the appellate work.

During the year under report 43 offences were reported to the Nyayadhish Court in which 55 persons were involved. Out of these 28 were discharged without trial, 13 were acquitted, 11 were convicted and 3 remained awaiting trial (Vide App. VIII.)

There was one appeal ageinst the decision of the lower court, which was modified in the Huzoor Court. (Vide App. IX.)

There were 21 civil Suits in the beginnnig of the year and 63 of the Value of Rs. 3,445–7–8½ were newly admitted in the course of the year. Out of the total number of 84 suits 64 were disposed of and 20 remained over. (Vide App. X.)

There was one civil appeal to the Huzoor Court against the decision of the lower ceurt which was modified in appeal. (Vide App. XII.)

The opening balance of applications for the execution of decrees in the beginning of the year was 36 of the Value of Rs. 5,670–1–6 and 98 fresh applications of the Value of Rs. 10,875–10–3 were brought to the register in the court of the year. Out of these 72 of the Value of Rs. 7,914–7–0 were disposed of, while 62 of the Value of Rs. 8,613–4–9 remained over to be disposed of next year. (Vide App. XI.)

Extradition.—Four offenders were extradited during the year, two rom Amreli and two from Lathi. Of these four two were acquitted and two convicted, One man was surreudered to Bilkha where he was convicted.

Jail.—There is only one jail in the State. It is in Vadia. There was one prisoner in the beginning of the year. 20 were newty admitted and 21 discharged. There is no prisoner, therefore, in the jail at the end of the year. Their general health was satisfactory. The average period of the accused under trial was ~~1-5~~ 12.8. The total cost of the jail was Rs. 253–11–5 during the year. (Vide App. XIII.)

Registration.—Three documents worth Rs. 1069–8–6 were register red this year yielding an income of Rs. 9 (Vide App. XIV & XV.)

Municipal Administration.

There is no regular municipality here; yet arrangements for sweeping and lighting the streets and for micellaneous matters including the adjustment of an air-motor upon a well near the sowar lines and the laying of pipes from it to the stables and the Hazoor Bangalow cost the State Rs. 3609–7–5. (Vide App. XVI.)

CHAPTER IV.

The rainfall was this year in a sufficient quantity, allowing the Kharif crops to thrive satisfactorily. As for cotton the last rain in the season damaged it to a very great extent and hence the yield was not even half as much as was expected. For irrigation purposes the water-supply was ample

enough to produce the Rabi harvest. The total rainfall in the year was 23 inches and 73 cents. (Vide App. XVII.)

The wages of the labourers remained almost stationary during the year. There is a good difference, for the better, in the price of the cereals in the month of March of this year as compared with that of the last year. The price of gram, Urad and Mug is almost stationary. (Vide App. XVIII.)

As for public works the State spent Rs. 10,744-11-1 on original works including nearly five thousand rupees on the new road from Vadia to the Railway Station Vadia Devli, and Rs. 4,481-4-11 on repairs. (Vide App. XIX.)

Great pains are taken to increase the agricultural stock. There were this year 3768 bullocks against 3107 in the previous year and 2942 in the year before it. There were 2268 cows this year against 1917 in the previous year and 1734 in the year before it. There were 1214 ploughs this year against 1064 in the previous year and 1026 in the year before it. There were 591 carts this year against 544 in the previous year and 484 in the year before it. This comparative view shows an agreeable increase in the stock. (Vide App. XX.)

CHAPTER V.

Revenue and Finance.—The gross total revenue of Samvat 1969 was a hundred and eighty three thousand rupees against an expenditure of a hundred and seventy six thousand rupees. (Vide App. XXII.)

CHAPTER VI.

Vital Statistics.—There is a dispensary at Vadia where medical aid was given during the year under report to 2,517 outdoor patients at an annual cost of Rs. 1322-7-11. (Vide App. XXIII.)

280 births and 239 deaths were registered during the year against 284 births and 291 deaths of the previous year. (Vide App. XXIV.) The ratio of births to deaths this year was 1.171 to 1 against 0.979 to 1 in the previous year.

CHAPTER VII.

There are seven primary schools in the Swang Villages of the State, the annual cost of which was Rs. 1754-12-8. (Vide App. XXV.) Primary education is given free in the State. There are also English and Gujarati Schools in majmu towns and villages under the Jetpur Taluka Court, towards the maintenance of which the State contributed its share of Rs. 2800-5-3.

Vadia,
4th April 1914.

Mulla Mohammad Husain Punchasi,

Mulla Mohammad Husain Panchasi,

Karbhari Vadia.

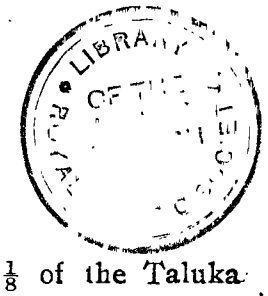
The Administration Report of

Vadia State.

FOR 1914-15.



CHAPTER I.

General and Political.—The Taluka of Vadia is $\frac{1}{8}$ of the Taluka of Jetpur It consists of 18 Swang villages, over which it has sole jurisdiction, civil as well as criminal, and has shares in four others held jointly with other share-holders of Jetpur. In the town of Jetpur itself this Taluka has a share of three annas in the rupee i. e. nearly $\frac{1}{5}$ of it, which gives it pre-eminence over all others.

The area of this State is nearly 72 square miles and its population 10,770 souls. Its annual gross revenue on an average is Rs. 1,49,021. Though it is little higher than that of the last year, it is not equal to that of the earlier years of the last lustrum. It has to pay a tribute, as Peshkashi, of Rs. 7290–15–0 to the British Government, as Jamabandi, of Rs. 455–3–6 to the Gaikwar Government, and as Jortalabi, of Rs. 141–8–0 to the State of Junagadh.

The ruling Chief Darbar Shri Bawawala, aged 40 years was born on the 11th of July 1874. He exercises the powers of a third class chief. The heir-apparent Kumar Shri Suragwala, aged 11 years was born on the 15th March 1904.

I am extremely sorry to record two sad events that occured in the family of Darbar Saheb during the year under report. His elder daughter's husband Mansur Bashia fell down from steps not even a foot high and broke his arm and died in a week thereafter, on the 27th of July last, and his younger daughter died on the 13th of January last within a fortnight after delivery of a son who passed away a couple of days before his mother. The elder daughter Ben Shri Monghibai has given birth to a posthumous daughter.

CHAPTER II.

Administration of the Land.—The administration of the land is carried on under a system of Bhagbatai and Vero—assessments in kind and

and cash—the latter fixed and the former fluctuating in proportion to the produce of the crops.

The year under report was a good one, the deficiency of the rain of the earlier months was made up in September which gave nearly half the quantity of the total rainfall of 37 inches and 63 cents. The abundant fall in September damaged Bajri and cotton crops, but it did much good to the Jowar which is the staple food of the cultivators.

There were 41 boundary disputes in the beginning of the year and 5 were newly added to the number beginning the total to 46. Out of these two were disposed of, leaving 44 awaiting settlement hereafter.

CHAPTER III.

PROTECTION.

Police.—The State does not maintain any military force as such. It has a police force of 22 foot and 7 mounted, all headed by a Foujdar. The foot Police is armed with muzzle loading guns and bayonets and the mounted Police with swords and guns. The total cost was Rs. 4956 in the year. (Vide Appendix IV).

Village Police.—Besides the abovementioned regular Police the State maintains a village force of 105 Pasaitas headed by 13 Police Patels, all under the direct supervision of the Foujdar. The Police Patels are stipendiaries, while the Pasaitas are given lands free of State charges during service.

During the year fourteen offences involving fourteen persons were reported to the police. All of them were sent to the Nyayadhish Court for trial, four of them were convicted and three acquitted or discharged. (Vide Appendix V.)

Justice.—In order to administer justice, civil as well as criminal, there are two courts in the State. The Nyayadhish Court performs all the original work and the Huzoor Court the Appellate work.

During the year under report fifty offences were reported to the Nyayadhish Court, in which seventy persons were involved. Ou of these fourteen were discharged without trial, thirty-one were acquitted, eight were convicted and seventeen remained awaiting trial in the next yea r. (Vide Appendix VIII.)

There were two appeals against the decisions of the Nyayadhish Court, one of which was rejected and in the other the sentence was modified by the Huzoor Court. (Vide Appendix IX.)

There were twenty civil suits in the beginning of the year and thirty eight of the value of Rs. 3492–15–3½ were newly admitted in the course of the year. Out of the total number of fifty-eight suits, forty-one were disposed of and seventeen remained over. (Vide Appendix X).

There were five civil appeals to the Huzoor Court, during the year, against the decisions of the lower Court. One of them was disposed of, the decision of the lower Court being reversed. (Vide Appendix XII).

The opening balance of applications for the execution of decrees in the beginning of the year was 62 of the value of Rs. 8613–4–9 and 62 fresh applications of the value of Rs. 9512–4–1 were brought to the register in the course of the year. Out of these 89 of the value of Rs. 11391–5–4 were disposed of, while 35 of the value of Rs. 6734–3–6 remained over to be disposed of next year. (Vide Appendix XI).

Extradition.—Two persons were extradited during the year. Both of them were convicted.

Jail.—There is only one Jail in the State. It is in Vadia. Fourteen prisoners were admitted into it during the year, and twelve discharged. Two prisoners are still in the jail at the end of the year. Their general health was satisfactory. The average period of the accused under trial was 16·0. The total cost of the jail was Rs. 234–9–2 during the year. (Vide Appendix XIII.)

Registration.—Three documents worth Rs. 2781–0–0 were registered during the year yielding an income of Rs. 10–8–0 (Vide App. XIV & XV).

Municipal Administration.—There is no regular Municipality here; yet arrangements for sweeping and lighting the streets and for miscellaneous matters cost the State Rs. 918–14–8. (Vide Appendix XVI.)

CHAPTER IV.

The rainfall this year, was abundant. The quantity in September was unusually large. It helped the Jowar to thrive satisfactorily, but damaged the crops of Bajri and Cotton to a certain extent. For irrigation purposes the water supply was ample enough to produce the Rabi harvest. The total rainfall in the year was 37 inches and 63 cents. (Vide App. XVII.)

The wages of labourers remainded almost stationary during the year. The prices of cereals have not gone down satisfactorily. Bajri and Jowar are stationary. Wheat and Gram are dearer this year. On'y Urad and Mug are cheaper (Vide App. XVIII.)

As for public works the State spent Rs. 68,883-1-1 on original works and Rs. 1,438-13-2 on repairs (Vide App. XIX).

Great pains are taken to increase the agricultural stock. There were this year 3,855 bullocks against 3,768 in the previous year and 3,107 in the year before it. There were 2,158, cows this year against 2,268 in the previous year and 1,917 in the year befere it. There were 1148 ploughs this year against 1,214 in the previous year and 1064 in the year before it. There were 569 carts this year against 591 in the previous year and 544 in the year before it. (Vide App. XX).

CHAPTER V.

Revenue and Finance.—The Gross total revenue of Samvat 1970 was one hundred and ninety thousand rupees and the total expenditure was one hundred and ninety three thousand rupees. (Vide App. XXII).

CHAPTER VI.

Vital Statistics.—There is a dispensary at Vadia where medical aid was given, during the year under report, to 2,400 outdoor patients at an annual cost of Rs. 1388-9-0. (Vide App. XXIII).

455 births and 249 deaths were registered during the year against 280 births and 239 deaths in the previous year. (Vide App. XXIV). The ratio of births to deaths this year was 1·827 to 1 against 1·171 to 1 in the previous year.

CHAPTER VII.

There are seven primary Schools in the Swang villages of the State, the annual cost of which was Rs. 1,834-8-11. (Vide App. XXV). Primary Education is given free in the State. There are also English and Gujrati Schools in Majmu towns and villages under the Jetpur Taluka Court, towards the maintenance of which this State contributed its share of Rs. 532-2-3.

Vadia,
31st March 1915.

Mohammad Hasan
Karbhari, Vadia.
